Met vriendelijke groet,
Tygo

The screenshot shows the PDFEN website homepage. At the top, there is a navigation bar with links for HOME, MERGE FILES, PDF CONVERTER, BUSINESS, ABOUT PDFEN, and CONTACT. There is also a sign-in form for Username and Password, with a 'SIGN IN' button and a 'Forgot? / Password / username' link. Social media icons for LinkedIn and Twitter are also present.

The main banner features the text "NEED TO CONVERT YOUR COMPLETE ARCHIVE" and "USE PDFEN!" in large orange letters. It includes an illustration of a cardboard box overflowing with various document files like Word, Excel, and PDFs, with an arrow pointing to a stack of PDF/A files.

The page is divided into four numbered steps:

- 1** UPLOAD YOUR DOCUMENTS: Shows a blue number 1 and a circular icon of various document types.
- 2** CHOOSE YOUR TEMPLATE: Shows a blue number 2 and icons of document files with a blue selection bar.
- 3** ARRANGE YOUR DOCUMENTS: Shows a blue number 3 and icons of document files with arrows indicating a flow or arrangement process.
- 4** DOWNLOAD YOUR PDF!: Shows a blue number 4 and a PDF file icon.

To the right of the steps, there is a call-to-action box with the text "Get started within 1 minute!" and a "REGISTER" button. Below this, there are two blue boxes: one containing "Why PDFen", "How PDFen works", "Converts documents to PDF", and "Merges files"; the other containing "Prices credits".
